STAINLESS STEEL COUNTERTOPS & TABLES

At Inter Dyne Systems we want to be your one and only stop in the construction of your customized and versatile workstation. That's why we offer high-quality stainless steel pegboards, shelves, specimen pass-through and narcotic lock boxes as well as a variety of stainless steel countertops and free-standing tables.

Square edge: All table and countertops are constructed of 16 gauge stainless steel and polished to a #4 finish.

Marine edge: Countertops and tables can be ordered with this raised perimeter edge when containing spills is of a concern.

All countertops can be ordered with back and side splashes.

STAINLESS STEEL COUNTERTOPS AND TABLES

Sinks can be ordered in a variety of widths and depths and have the option of either a single or double bowl.

Inter Dyne countertops, tables and sinks, when combined with our pegboards, shelving and accessories, such as drying racks, soap and glove dispensers, can help your laboratory increase efficiency without sacrificing safety.

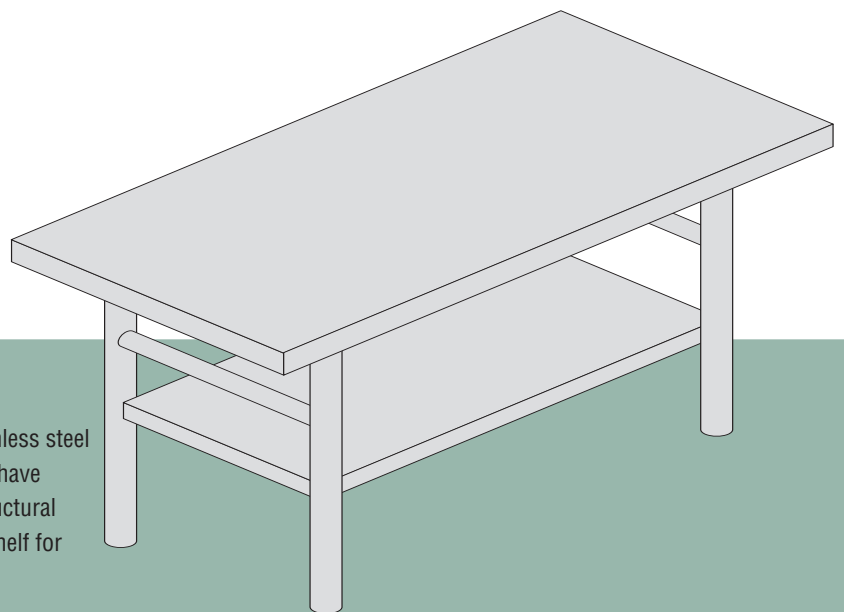

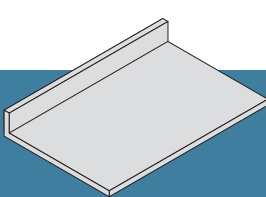

Table tops are mounted on stainless steel legs with adjustable bullet feet, have cross rail bracing for added structural support and include a bottom shelf for additional storage.

INTER DYNE SYSTEMS:
VERSATILE WORK STATION SOLUTIONS

Inter Dyne Systems began over 25 years ago as an innovator of modular laboratory equipment by fabricating and selling stainless steel pegboards.

Over time we gained a reputation as the leader in the laboratory pegboard market. We've built upon that foundation by continuing to offer high quality pegboards with dependable service, consistent quality and on time delivery. We also offer shelving components, narcotics storage cabinets, countertops and innovative acrylic products.
